

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

As a current subscriber to Dish Network, I support the efficiencies that this partnership would create but do NOT feel that Dish Network is a professional organization that would be able to execute on their end. Dish Network service is unreliable, when I call customer service for assistance the staff is unprofessional and never able to solve the issue. In addition, any 'upgrades' they offer to our building are consistently a disaster. I give Dish Network a vote of NO confidence and would appreciate your taking this into consideration before subjecting the rest of the country to their 'service.'

Sincerely,

Gayle Glickman
