

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

I am in whole-hearted support of the merger between Dishnetwork and DirectTV. I believe it will increase the quality of service available to all americans, and especially, it will make high speed communications available to people in rural areas where it is not feasible for cable communications to operate.

Sincerely,

Loren Gollhardt
