Dear Chairman Powell:

I am worried that if this merger takes place they are going to do away with our christian/religion channels which all of us need more of. Why would they take the religion of God off of tv now here in America after all the terrible happenings on Sept. 11 took place? Everyone was so upset over that and now we are hearing that this one major direct tv broadcast wants to take off the air one thing we need the most of. Why doesn't this country wake up? Please stop the merger that would take our Father's word off the air. We need him everyday and worse than ever now. Thank you for letting us put our input in. We just pray it helps.

Sincerely,

Connie Guffey
