

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

Please do not support the Echostar/Direct TV merger. Dish Network already has poor customer service, and, cannot support the customers they have now. The merger would only further the poor service offered by Echostar, allowing no other venue. The customer would truly be out in the cold as Echostar could care less about the customer, The only thing Echostar wants is bragging rights to be the only sat delivered programming.

Sincerely,

Eddie Harrell
