

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

We live in a very rural area where the closest town is 14 miles away we can only call the one town without long distance charges therefore our internet choice is one with speeds at best 28.8k with no chance of getting broadband or local broadcasts, please approve this merger for rural America

Sincerely,

David Herrington
