

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

We completely support the merger. We have had both Directv and Dish satellites and enjoyed both. It was hard to choose which to stay with. If they were to merge we believe everyone would benefit. Putting what they both offer, together, would make a better company, to offer more to the consumer, therefore more satisfied customers. We vote 'YES'!

Sincerely,

James and Michelle Hogue
