

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I do not think the merger is one that we should do since DirectTV is not a company that responds to the needs of the customers. I was with them for many years and they do not have any regard for the customers opinions at all regarding programming or problems. I have not seen this with the Dish Network personnel. They do care and work with the customer in every instance.

YOU ARE MAKING A BIG MISTAKE TO ALLOW Direct TV to have any holdings or control in Dish Network. I am a testament to this.

Sincerely,

Joe Aboul Hosn
