

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I would greatly support the merger of these two companies if that means that the new combined company would have comparable broadband internet access such as cable and DSL at a similiar price. As it stands now, the price is rediculous and the speed is only half of what DSL is capable of.

Sincerely,
