

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I wholeheartedly support the merger
of the dishnetwork and directv satellite systems. Have had directv in the past
and now have dishnetwork.
Cannot fault either one and am looking forward to when the best of both systems
and broadband internet satellite access are all available in one package. I
think it will be great!

Sincerely,

Daniel Jamrock
