Dear Chairman Powell:

My family lives in Sonoma County California. The only cable company we have is now ATT due to mergers and buyouts. If were not for satellite companies, we would have no choices in service. The service from Dish has been excellent and a great alternative to cable. We need to support this merger to have a satellite company that can truly compete with the ATT cable monopoly. How can mergers of cable company after cable company be approved yet this merger not be approved???

Sincerely,

John Cook
