

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I believe the merger would not only benefit the companies involved, but the general public aswell. With the top 2 satellite television providers teaming up I, as a consumer, can get the ultimate in television programming packages. Just about every channel would be available, because I'm more concerned about what I GET than about anything else.

Sincerely,

Jared Franklin
