

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

To whom it may concern,
I am all for this merger. As of now I am not able to receive any local programming and networks. We live in a very rural area in Texas and are unable to get anything with standard antenna. But the catch is that our zip code is in an area that we are not allowed local channels, but if you go a couple of miles from here, we would qualify. It just doesn't make much sense. So this is why I am in favor of this merger.

Sincerely,

Julie Neitz
