

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

I am writing to say that both my husband and I think the merger is the worst thing that can happen. We received deplorable customer service from DirectTV and have recently switched to DishNetwork. The only way people in the country will receive good service and competitive rates is if you STOP permitting these mergers. Ask the little people, not the retailer, the unions, etc that receive rewards for their support.

Sincerely,

Jacki Niedermayer
