

I support the merger. I need to receive Channel 22 local news but I am only allowed the NBC feed. My indoor antenna does not pull in channel 22--nor am I allowed to have an outdoor antenna on the state subsidized low-income building in which I live. AND I CANNOT AFFORD TO GET CHANNEL 22 ON CABLE AND STILL HAVE PROGRAMING FROM DISH NETWORK. Therefore I need local Channel 22 news from the merger that I cannot get from NBC.
