Dear Chairman Powell:

I live in Corbin, Ky. I have been with Dish Network for about 3-4 years now. Two years ago I thought we were going to get local channels {Haven't got them yet} We were led to believe we would have it soon, hurry up & get your upgrade, we did now for 2 years, still no local channels. I think we are intiled to our local networks. But I also think we should be reimbersted for all the time we have been without our locals, they did not supply us with the service they promised after we spent \$100.00 for the upgrade & instlation. I do strongly believe we deserve our locals. There is a lot of local news we need to see sometimes.
Thanks Judy Jones

Sincerely,

Judy Jones
