Chairman

Washington, D.C. 20554

Dear Chairman Powell:

I live in a small east Texas town of Lufkin. The people at FOX say there is a broadcasting tower less than 3 miles from my home but yet after spending over 200.00 on an antenna I still can not recieve their programing. I urge you to allow satalite customers the aces to recieve local channels through the satalite dish. I also urge you to allow the satalite company's provide broadband internet conections Please consider this when you vote.

Sincerely,

Jonathan Smith
