

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

As a professional in television I find it appalling this merger is being considered. It seems quite clear to me this is a antitrust/monopoly issue. At current there are two players in the USA satelite market, combining these leaves one...monopoly. Please forgive me but I do not see the gray area here.

Regards,
James Stamatis
