

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I urge you to give your support to the echostar merger or Dish network and DirectTV. This merger will give the american people the ability to access the internet where ever they are, recieve great television programing, as well as many other spectacular features at an affordable price. I am an over-the-road truck driver and a subscriber to Dish Network--this merger would give me,as well as many other OTR drivers, the ability to access the internet wherever I am. This would be a positive action for ALL Americans involved.

Sincerely,

Brandon Juhl
