Dear Chairman Powell:

We recently moved form Reno NV to Fernely NV. We can not receive local station programming from Reno on our TV. We tried for 8 weeks to get our local cable provider to hook us up for service. Calls were not returned and basically we were very discouraged. So we contacted the local Dish Network satellite provider -who graciously hooked us up the next day. However we still can not receive Reno news. 30 miles away. So we had to get a waiver and receive Sacramento broadcasts (130 miles away.) How unfair and inconvenient for all the citizens of Fernely (a bedroom community of Reno) Please allow this merger so that the 10,000 plus homes in Fernely can receive local broadcsts.

Sincerely,

Frances Jurich
