

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

Dear Honorable CongressPerson,  
Please add my name to the list of Texans interested in having access to  
Broadband Data facilities throughout the U.S. I live in the country and do not  
have cable or DSL or any other means of participating in the growth of our  
nations information infrastructure. The EchoStar merger offers the first  
economic means for people in my state to become a part of this astounding  
phenomenon. Please cast my vote in favor of our nations continued expansion  
both fiscally and intellectually.  
Thank you!

OBTW: If you know the organizations and nations that are responsible for the  
growth of Terrorism in the WORLD [Hamas, PLO, etc.] Why aren't they in jail or  
dead? Are you doing a good job representing Texans and Texans interests?  
jkw

.. .

Sincerely,

John Wilcoxson
