

The Honorable Michael K. Powell
Chairman
Federal Communications Commission

Washington, D.C. 20554

Dear Chairman Powell:

I am writing this letter to let you know that I am in favor of the proposed merger of DishNetwork and DirectTV. As a current subscriber of DishNetwork, I believe that the merger will improve the service by adding local stations, additional high definition channels, and broadband internet access. I also believe that the merger will increase competition to cable TV and internet access. This will increase the choices for myself and other individual consumers in my viewing area. Thank you for taking the time to read my letter.

Sincerely,

Jeffrey Kingsley
