

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I live in Utah and have a very poor phone company to serve my digital needs. The best connection that I can get is 28.8 because of duplexed lines. I would very much like to see an affordable high-speed internet provider available to me. I support the EchoStar merger.

Sincerely,

Todd Lane
