

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

I am writing to ask that you to please work on getting the SHVIA changed to allow people who want to pay for out of town channels to be allowed to do so. I feel it is a violation of 1st ammendment rights to not be allowed to purchase something that is technologically available. Please help. There are many programs that are available on network television that my local affiliates, that I have do not show & they can grant waivers, but none have done so ever in our area. This is also unfair & very unamerican.

Sincerely,

Tony Lentini
