

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

I support the merger between DirectTV and Dish Network because I live in a small, rural area where I cannot get cable TV and I will be able to not only receive our local channels, but will be able to get all of the programs that DirectTV offers that Dish Network doesn't. I'm sure all the DirectTV customers will support it as well, so they can receive local networks.

I would also be interested in a fast internet connection.

I certainly hope you will support this merger.

Sincerely,

AGATHA LONGGOOD
