

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I'm sick and tired of the monopoly our local cable operator (AT&T) has on it's costumers! They call it total choice but we don't have a choice, it's them or nothing. they make up the package that consists of a few chanel's you will watch and most we don't but PAY for all. We droped all our pay chanel's in November when AT&T notified us cable rates were going up again in January. We need more choice more competition to help the economy.

Sincerely,

Michael B. Lynch
