

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I have subscribed to Dish Network so as to watch and pay for what I wish. However, with legislation, Dish network has removed my Salt Lake and Kansas City, which my brother in law is an on air person in Kansas City. Our family could watch him every day on TV and my children live in Utah. I have local cable TV 'Charter Cable ' which is blurry and costs more than Dish Network does. I really believe that if I pay for a service I should have what I pay for. Please consider review of the cable act and amend it so that Dish may restore my Salt Lake and Kansas City channels. Even though I live in rural KY with only one local station WYMT CBS. The other stations are 120 miles, Lexington and 80 miles Huntington, WV.

Sincerely,
Lee Majakey
