

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I am a loyal fan of dish network and would like to see the merger of Dish Network with Directv. I have a number of reasons that I would like to see it happen.

First of all, I think that Dish Network would give Directv a better market. Dish has a lot of channels that Directv doesn't.

Second, I know that Dish would not give their costumers a run around like some companies. I have known Directv to do that to a number of people.

I thank you for your time and hope that you will take this letter into concederation.

Sincerely,

David Martin
