

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

To whom it may concern, I am very concerned about the direct tv/echostar merger and would like to send my letter of concern to the appropriate persons. I had been alerted by an individual as to the proposed programming changes after the proposed merger. I am vehemently opposed to the removal of christian television from the satellite tv programming as proposed by echostar. I have been informed about the hostility of this company toward that type of programming and truth fully it is the only reason I would even consider getting satellite television. If there is anything that can be done to stop the merger please do it. Thank you for your attention, Bryan McGinley

Sincerely,

Bryan McGinley
