

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I'm in full support as a customer of Dish Network. I live in Normal, IL and we are stuck and locked into only one cable choice in this town. It is a monopoly that the justice dept can stop with this merger. This merger can give us the competition this industry needs. With all local programming being offered in all markets as a result of the merger it will give consumers in our community and others a viable alternative to the stranglehold we now have called cable. Thank You

Sincerely,

William McHenry
