Subject: DIRECTV ECHOSTAR MERGER NEW IDEA

Rather than granting a merger of DIRECTV / Hughes and Echostar, how about granting a monopoly on LiL (Local Into Local) for all but the top 10 US Markets.

Force all new receivers to operate both with DIRECTV and EchoStar.

Pricing for LiL must be the same for the top 10 US Markets as for all markets.

Main DBS supplier collects revenue and forwards funds to the competitor.

This provides plenty of bandwidth for future services, enhances competition and services the customers!
