

The Honorable Michael K. Powell
Chairman
Federal Communications Commission

Washington, D.C. 20554

Dear Chairman Powell:

I want to let you know that the merger would help give us better tv I have had Dishnetwork for 4 years and cable cant even compare to it. I have never lost a signal for more than a couple of min. with cable everytime it rains it goes out sometimes for days and the give you a bunch of channels you dont even want with dish i choose what and when I want to watch tv. If you dont approve this merger you will be hurting more people than you think . Just check the rates for cable and how they have went up compared to dishnetwork I have only seen one increase since I have had it and that was only by \$1 dollar. so if you approve the merger you will be doing a great think for without it you will be letting cable have a monoply not satellite tv.

Sincerely,

Richard Mooney
