

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I live in Keystone Heights, Florida which is about 50 miles from Jacksonville which I receive local TV channels. I have the largest outside antenna in order to receive these stations. They still come in fuzzy and soft. I have Dish Network and would be willing to pay extra to get the local channels on my satellite

Sincerely,

Patrick Moore
