

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

My name is Lois Jean Mundorff, 2085 Delta Rd., Felton PA 17322-7979. I would like to write a letter against the merger of dish network and direct TV. Mergers such as these eliminate competition which allows the company to be less responsive to the needs of the customers resulting in loss of service to those of us which do not have cable accessible to us. I can document my own experience with the customer service department of Dish Network. I have been trying to solve a problem since February to no avail. These types of mergers eliminate a competitive source that we can use to secure needed programming and as a result deny us access to satellite programs. Thank you very much for your concern.

Sincerely,

Lois Jean Mundorff
