

NRTC/Affiliate Survey Results

Forty-five affiliates, approximately half of NRTC’s total affiliates, responded to NRTC’s survey regarding the availability of cable service in the affiliates’ respective service territories. (Pegasus, NRTC’s largest affiliate, was not surveyed). Of the 38 respondents who answered fully:

* 6 respondents: *No* cable (either analog or digital) is available to any homes in any portion of their territories.

* 32 respondents: *Analog* cable is available to some portion of the homes in their territories, estimated as follows:

| % of Homes Passed By Analog Cable | | |
|--------------------------------------|----|----------------|
| 1-10% | -- | no respondents |
| 11-20% | -- | 5 respondents |
| 21-30% | -- | 2 respondents |
| 31-40% | -- | 4 respondents |
| 41-50% | -- | 5 respondents |
