

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

I do not support the merger of Dish Network and DirectTV which will create a monopoly and will only mean higher rates for consumers. I have been a customer of both and switched from one to the other to get lower rates. Competition is good. There will not be competition any longer and rate increases for rural customers will continue to rise. My vote is no.

Sincerely,
