

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

My name is Brian Olson. I am a employee of Echostar Communications, but more importantly, an American Consumer and paying customer of DISH Network.

This merger should be allowed to proceed. It will provide local stations in markets that will otherwise never be served, and in our case here in Denver, truly an affordable option for high-speed internet service.

Former Senator Malcom Wallop is correct, government should get out of the way and let the merger proceed.

Yours truly,

Brian Olson

Sincerely,

Brian Olson
