

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

My name is Elizabeth Peter. I am one of the millions of consumers who is NOT in support of mergers of this magnitude. We, as consumers usually lose in the game. There are countless examples of Giant Monopolies like AT&T charging consumers outrageous prices, because we have no place to turn to. No competition means NO CHOICE FOR CONSUMERS!

I was a DTV costumer and decided to switch to Dish Network because I do not wish to watch Male-dominated programs and 90 Sports Channels shoved down my throat. Dish has programs such as the Wisdom Channel, FSTV, Worldlink and others that are independent of mass media hype. I hope giant conservative conglomerates will not turn TV viewing into a censored forum and just a great market for conservative giant corporations to market their wares!  
I pray and hope the Merger will not be approved!!!

Sincerely,

elizabeth peter
