

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

This will not be a good deal for the consumer. Even as I write the cost and quality of service is fading. To let this merger go through would make dishnet work a monopoly. I so, let them show that this merger will be good by their action. As to date, dishnet work is sub par and the only benefit will be its ability to inflate fees and profit at its subscribers cost.

Sincerely,

Peter Ketcham
