Dear Chairman Powell:

Hi I live in Franklin County New Salem, which we cant get our local stations, this is crazy...I saw an emergency alert for New York, what good does that do us? We need to have access to Boston stations not New York for God sakes, it's crazy and very upsetting not to know what is going on in your own state...please if this means we can get locals lets do this already I live in Mass and would like to be part of this state.

Pleas advise me if I need to do anything to help with this matter.

Thank you so much

Shelley

Sincerely,

Shelley Ploof
