

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

I do not understand how the FCC can allow the only two satellite companies to merge. Doesn't this create a monopoly? Time warner cable now has the monopoly as the only cable provider allowed (by city contract) to do business where I live. And their prices are much higher here than in markets where they have competition. That is why I went to satellite. Please do not allow the satellite providers to do the same with a monopoly. The prices will surely go up and we will then have no choice.

Sincerely,

Mike Potter
