

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

Write your own letter here. I have read the proposed letters drafted by the satellite providers and agree with them.

I am located right on the line where the signal strength of the normal broadcasting stations provides only marginal reception and the cable company available does not approach the satellite company either in quality of reception or programming.

A merger would solve all the problems for viewers like me and I encourage its adoption.

Sincerely,

Richard Gardner
