

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I strongly urge you to allow the merger of Dish Network and Direct TV. The combined strength of this entity would be a worthy adversary for AT&T which is quickly becoming the only (major city) cable TV company in the country. The combined resources of these entities would provide top quality technology & programming at competitive prices.

Sincerely,

Steven Rodin
