

The Honorable Michael K. Powell
Chairman
Federal Communications Commission

Dear Chairman Powell:

This is long over due. You stole our rights by not letting me receive the local networks by satellite and also you have robbed me of seeing my favorite ball teams play. My job moved me to the Georgia area but I am a Big 12 college fan as well as a New York Yankee fan. I used to be able to get these games on satellite then you chose to black out certain areas. This should be changed we live in a free society and should be able to choose what we want to view in our own homes. Thanks for listening. I have been a subscriber of satellite TV since 1982 with an old Birdview dish.

Sincerely,

Dewayne Rothfuss
