

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

As a member of a rural community, I want to have the things that the big city boys have. I want local broadcasts and high speed Internet access. For you to deny this to us might mean that the food production could go down. Happy farmers and ranchers like good TV and Internet access. The big city boys should not have all the good toys.

Thank you for you time.

Sincerely,

Russell F.
