

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

I am writing to request that you do NOT support the merger between Dish Network and DirectTV. I am a former Dish Network subscriber who now subscribes to DirectTV. I have found that the competition between the two companies has benefited the consumer, since it encourages each provider to add new and innovative services and packages. No such incentive would be present if these two companies are allowed to merge into one, monopolizing the satellite television market. Please help the American consumers by opposing this merger.

Sincerely,

Alfred Saikali
