

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

Dear Rep. Goode,

I can't express to you how much I support a merger of DISH Network and DIRECTTV. As you well know rural virginia, especially, Pittsylvania County have very little chance of access to faster computer connections and no access to Cable vision. Because of the physical geographics in many places even a rooftop antenna isn't feasible.

So again please help pass legislature to make this merger a reality.
Thanks so much,

Jenny Lee Sanders

Sincerely,

Jenny Sanders
