

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

One man/company controlling/owning every sattellite?! You have to be so out of touch with us, the people to even consider this sale! We will suffer with no choice of provider, at the mercy of this guy as far as pricing and programing go. Where can we go to for sat. T.V.? we can't!

Also give us back the option to receive the East Coast network channels. The advertising on the networks is mostly from national companies and not local businesses. So we will see the ads either way. You don't seem to have the best interest of the people at heart! Do the right thing. No merger and East Coast network channels availability.

Sincerely,

Jan Sanders
