

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

Do not allow a monopoly in the satellite business!!!! I live in a big city and I can't get broadband either! It's not just the rural areas. They say one price throughout the nation but they don't say it will be cheaper do they?! And who will control them? Not the market!

Sincerely,

Mike Sebahar
