

The Honorable Michael K. Powell
Chairman

Washington, D.C. 20554

Dear Chairman Powell:

I have been a perscriber with Dish Network for two years. The channels I receive are great. But I dont get local channels. Its should be in every communittee threout the U.S. There's state's in the U.S. that have the local channels. I thought in our Civil rights that all states and all people are created equal not mattering race or sex. I live in the state of Virigina. I think and I hope you will agree with me in this matter. Thank you for your time.

Sincerely,

Paul Shortridge
