

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

I do NOT support the move to have ONLY local stations via satellite television. The professionalism from the major markets far exceeds that available from the local stations that were available via cable.

There are no regulations that require me to ONLY subscribe to the local newspaper. I can subscribe to a national newspaper. I WANT that choice in television news also!

CNN is not the only game in town.

Again, if we will be restricted to ONLY LOCAL STATIONS, please do NOT support the change!
